Short description of the initiative : The “Your Opinion” portal on the Parliament of Wallonia's website

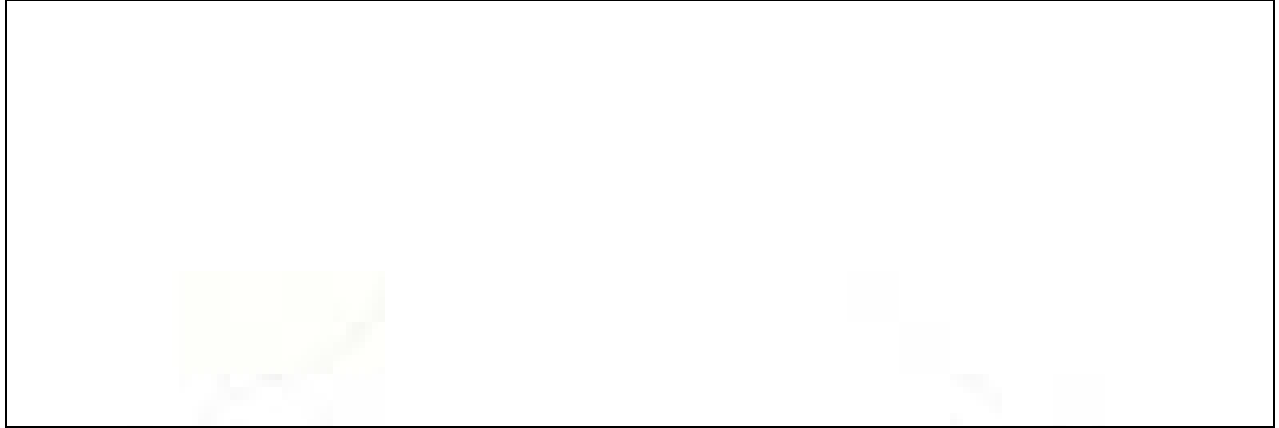

In September 2015, the Parliament of Wallonia launched a new "Your opinion" portal on its website aimed at bringing citizens closer to parliamentary work. This portal allows citizens to give an opinion on all new legislative initiatives from both the Government and the Parliament of Wallonia. These initiatives naturally concern European issues, since more than 80% of national law emanates from decisions taken by the European institutions.

Citizens can also file petitions online or contact elected officials directly. Finally, institutions or associations can also apply to come and present their activities to Parliament.

More information on this subject is available on our website: “Your opinion” section. See: <https://www.parlement-wallonie.be/vous-faire-entendre>
