Invitation to join the CALRE 2016 Working Group Subsidiarity

Dear CALRE Members,

It is an honour and a great pleasure to chair the presidency of the CALRE Working Group Subsidiarity once again in 2016.

National and regional parliaments all over Europe are involved in subsidiarity issues. The current discussion regarding a so-called “red card”-mechanism demanded by the United Kingdom demonstrates that the subject is of utmost topicality and relevance. It illustrates in particular that our efforts to defend our regional legislative competences are justified and must be increased. The Working Group Subsidiarity aims to make better use of the existing instruments and raise further awareness on the relevance of the subsidiarity principle within the political process.

Hereby I like to cordially invite you to join and participate in our Working Group. You will find a registration form attached. I thank you for your active participation and look forward to our further cooperation.

Kind regards
