

QUESTIONNAIRE ON THE PARLIAMENTARY BODIES COMPETENT IN SUBSIDIARITY THAT BELONG TO THE REGIONAL ASSEMBLIES WITH LEGISLATIVE POWER THAT ARE MEMBERS OF CALRE

Please fill in the questionnaire and send it back to us by 2nd July 2012.

Please send the questionnaire by e-mail to the following address: noeliamg@asambleax.es

REGIONAL PARLIAMENT/ASSEMBLY	
PRESIDENT	
CONTACT DETAILS	

Please answer the following questions:

I. EARLY-WARNING SYSTEM AND MONITORING OF THE SUBSIDIARITY PRINCIPLE

1. Is there a procedure for monitoring the application of the subsidiarity principle (early-warning system) implemented by your national Parliament? If so, please describe it in a few words.

2. What is the national parliamentary body in charge of the implementation of the procedure for the application of the early-warning system?

PRESIDENCY 2012

3. Does the national procedure for the monitoring of the application of the principle of subsidiarity of the European legislative initiatives regulate the participation of the regional Parliaments? If so, please describe the procedure in a few words.

4. Has your Parliament regulated a procedure for the monitoring of the principle of the application of the subsidiarity principles of the European legislative initiatives? If so, describe it briefly.

5. Is there a specific body in your Parliament in charge of subjects related to European affairs?

6. Is there a specific body in your Parliament with competences for the knowledge and information of the queries of the early-warning system?
If so, please describe in a few words its composition, legal system and running.
Otherwise, please explain which body is in charge of this subject and what procedure it follows.

7. In your case, what has been your experience up to now with the participation of your regional Parliament in the early-warning system? Is there any publicly available information?

PRESIDENCY 2012

8. Is there any reporting mechanism or coordination of the work of the regional Parliaments in your country related to the monitoring of the subsidiarity principle? If so, please describe it briefly.

9. Do you think it will be positive to establish information and coordination tools with the regional Parliaments of other countries that are members of CALRE related to your participation in the early-warning system? If so, please describe the way you think the way they should be materialized.

10. From your point of view as a member of CALRE, do you think the bodies in the regional Parliaments that deal with European affairs should play a more significant role at Community level or should that competence be solely CALRE's responsibility? Please explain your answer.

11. Other comments

II. PARTICIPATION IN THE SUBSIDIARITY MONITORING NETWORK OF THE COMMITTEE OF THE REGIONS

<p>1. Does your Parliament participate in the Subsidiarity Monitoring Network of the Committee of the Regions? If so, please describe briefly the procedure that is followed in your Parliament in this participation.</p>
<p>2. What is the parliamentary body competent for dealing with the queries sent by the Subsidiarity Monitoring Network of the Committee of the Regions in your Parliament?</p>
<p>3. Do you think it is positive the establishment of information exchange tools among the regional parliaments that are members of the Subsidiarity Monitoring Network of the Committee of the Regions both at national and Community level? Please explain your answer.</p>
<p>4. In the case you are not a partner of the Subsidiarity Monitoring Network of the Committee of the Regions; does your Parliament wish to receive help and support of the Committee of the Regions when elaborating your subsidiarity reports that come from your national Parliament?</p>
<p>5. Other comments</p>

PRESIDENCY 2012

CONCLUSIONS

In your opinion, the relations between CALRE and the Committee of the Regions in affairs related to the monitoring of the subsidiarity principle, as well as other types of matters of interests for the conference, should they have a bilateral approach —CALRE-Committee of the Regions— or would you like that this type of relations should be developed by an intermediate body between both organizations? Please explain your answer.
