Short description of the initiative:

For a better Wallonia

On Saturday, the 5th of May 2018, Walloon citizens had the opportunity to come to the Parliament of Wallonia to present their ideas on how to improve the situation and management of the Region. They were able to directly approach one or several of the political parties represented in Parliament. Numerous discussions were held with the MPs and other representatives of the parties.

Citizens were also able to learn about the workings of the Parliament, discover the main rooms in the Parliament building and take part in events. The possibilities offered to citizens to make their voice heard such as petitions and consultations on legislative projects, were obviously highlighted on this occasion (see : <https://www.parlement-wallonie.be/vous-faire-entendre>)
